

# SOCCKER

TOPSoccer (The Outreach program for Soccer) is a community-based training and team placement program for young athletes with special needs. The program is designed and administered by US Youth Soccer. TOPSoccer is a modified version of the game of soccer, designed to provide opportunities for special needs children ages 4 to 19. It provides a very affordable opportunity for fitness, fun and building self-esteem. Modifications are made to the game to allow full participation and enjoyment to each child.
